the 19th instant, requesting Heads
of Departments to get the Graduate
Lists of their respective Offices

I have the honor to state that
the special machinery sanctioned
for the purpose in Government
Order No. G 4183-5-G. O. 37-15-4,
dated 21st September 1916, has
not

not yet arrived, and considering
the difficulty there exists at present
for all goods to come by sea from
England and America, it is not
likely that it will arrive before
the close of the official year. And
then, arrangements will have to be
made for their installation and
for the training of men to handle
them. All this takes time, and
I am afraid it will not be possible
to undertake the printing of the
graduation lists etc till the begin-
ning of the year 1918. I therefore
request that orders may be
kindly issued to continue the exist-
ing arrangements sanctioned
in Government Order No. G. 5494
